

1. The first page will show a pop up box. Go ahead and click 'skip this step at the bottom of that pop up.

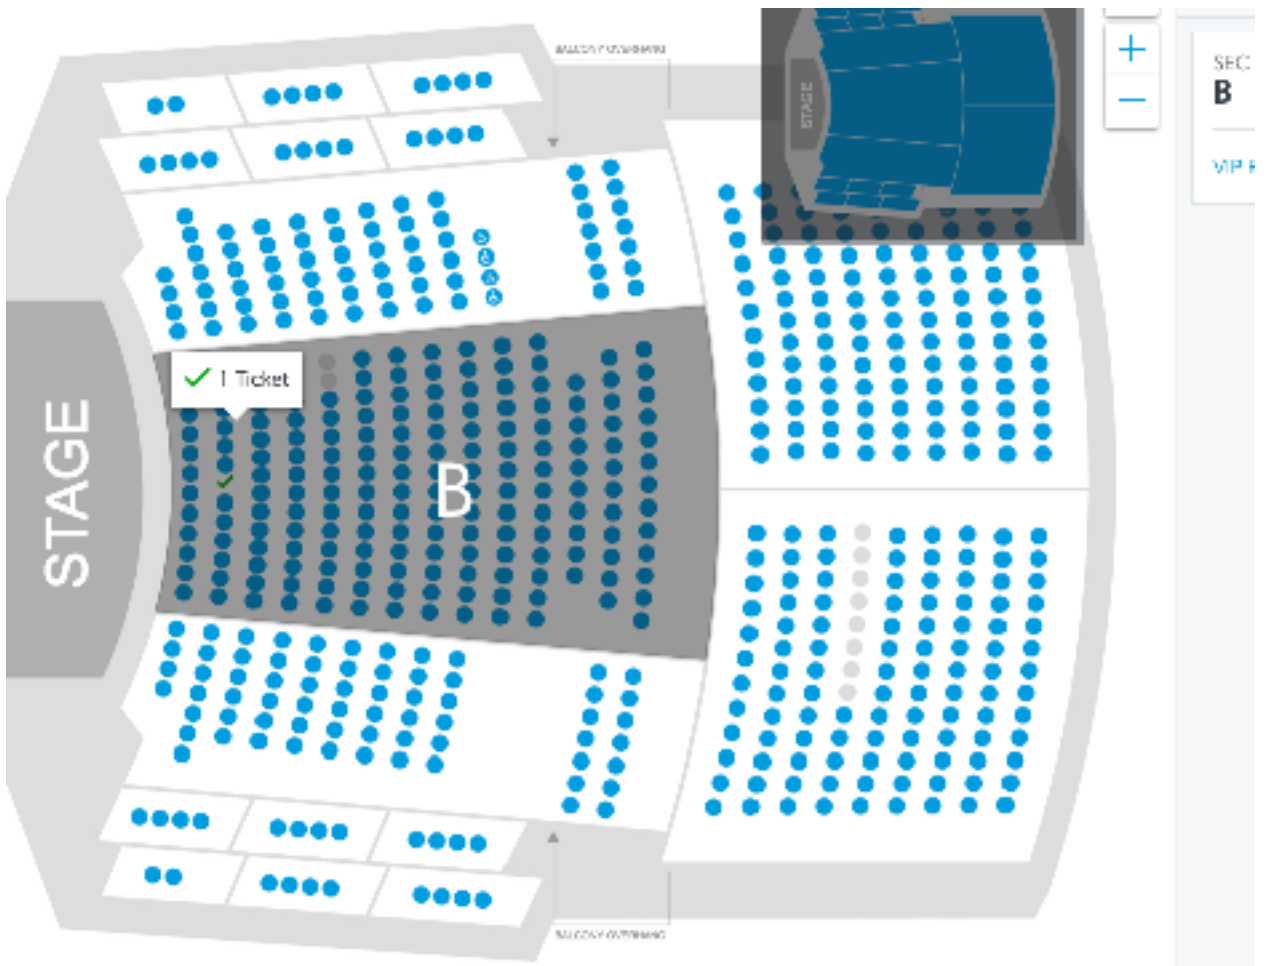

2. If you have a coupon code, then go to the top by the price scale and enter you code in the box that says 'enter offer code'.

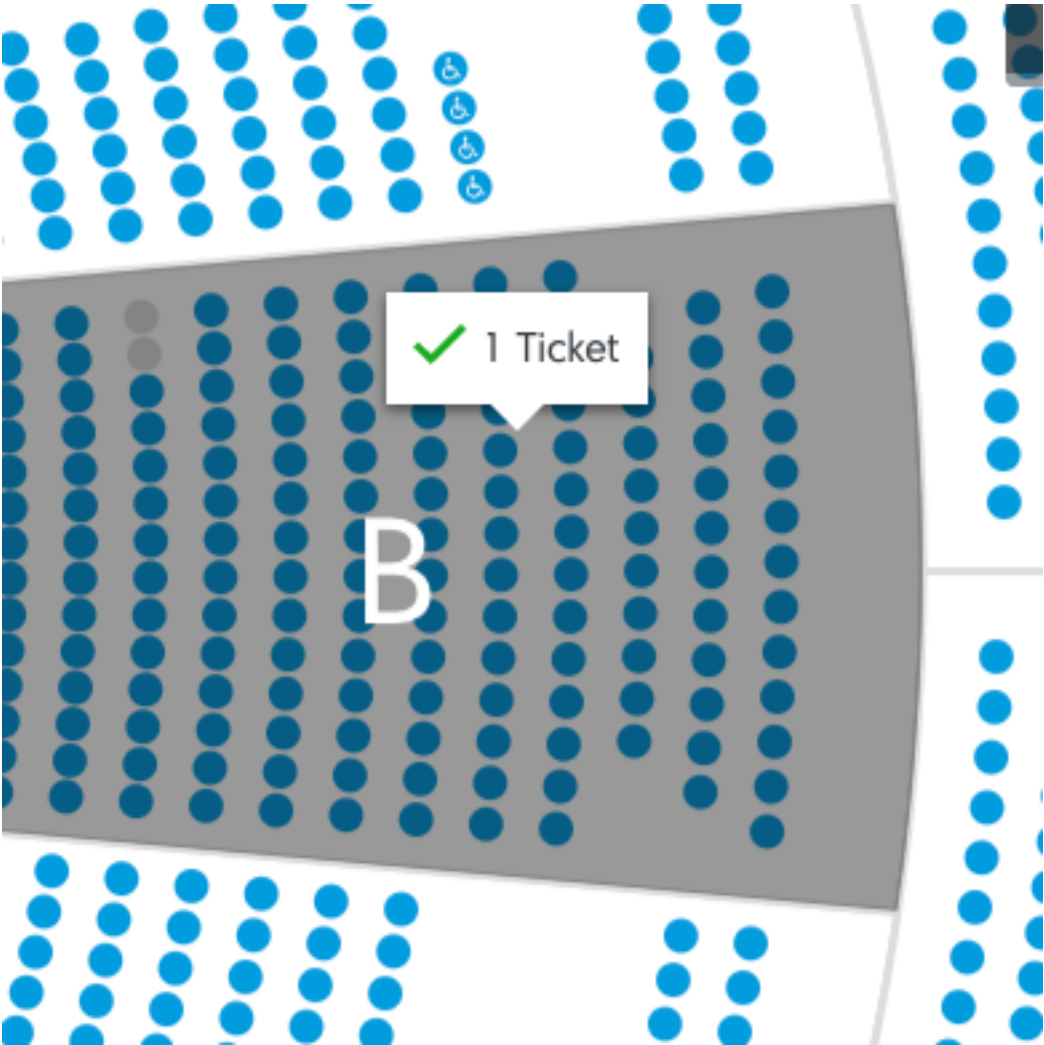

3. Then click the little lock button so that you have locked in your discount.

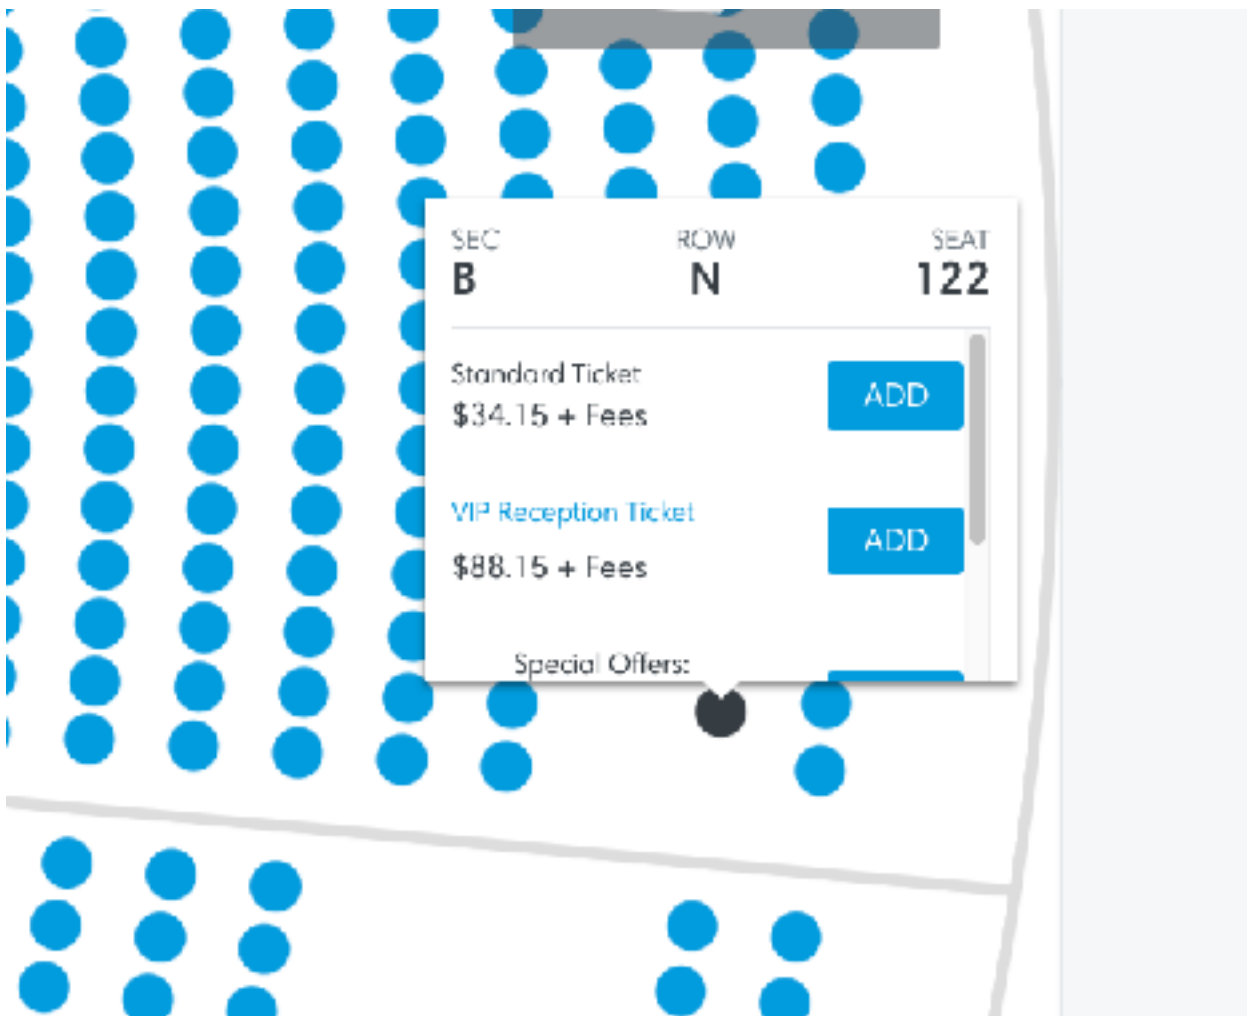

4. Next you can hover over the seating map and find the seat you want. click on a circle (seat) and it will zoom in further.

5. Now find the seat you want and click on it.

6. A small box will pop up giving you the options for that seat. Your options are a general price for that seat, the price of that seat with the VIP reception and the seat with the special coupon price. Choose only one. (offers do not apply to the VIP reception).

7. Only choose one of the 'add' buttons. for example: If you want to buy the VIP reception and your seat click the "VIP Reception Ticket". This includes the seat and the reception under one price.
8. If you are buying more than one ticket, go back to step 5 and repeat for the remaining tickets.
9. When you see all the tickets you want in your cart, click 'get tickets'.
10. This will begin your checkout process!

Now you are ready to order your tickets. You can click here to get your tickets or call Ticket master 1-800-745-3000
